**We've learned to look to/at Jesus when trying to understand the works of God; some like to point out the wrath of God against others in the OT.**

- 1 → What does this passage say about the God of the OT? (Ezekiel 33:11)
- 2 → What are ways that Jesus teaches (explicitly or implicitly) that WE are all on the same team?

**Terry mentioned that even among those who claim Christ some may not be on the same team.**

- 3 → Who might Paul be talking about?
- 4 → What might "another Christ" or "another Gospel" be? (2 Corinthians 11:4,13)

**5 → Are each of these on our "same team?" If not, what team are/were they on?**

**Check Luke 9:52-56, note: Jesus is rebuking the rebukers...**

- 6 → What is defensiveness for?
- 7 → Do we need to defend Jesus?

**BONUS: According to Paul in Ephesians 4:12-16...** the whole body of Christ is to be built up until we all reach unity in the faith and in the knowledge of the Son of God and become mature, attaining to the whole measure of the fullness of Christ. Then we will no longer be like children, forever changing our minds about what we believe because someone has told us something different or has cleverly lied to us and made the lie sound like the truth. Instead, we will lovingly follow the truth at all times—speaking truly, dealing truly, living truly[a]—and so become more and more in every way like Christ who is the Head of his body, the Church. Under his direction, the whole body is fitted together perfectly, and each part in its own special way helps the other parts, so that the whole body is healthy and growing and full of love.
