**Discuss each section of John 14:9-12:**

**① → Jesus said: "Don't you know me, Philip, even after I have been among you such a long time?"**

- No questions, just a thought... we can be with Jesus, near Jesus, for a long time and not see Him for who He really is.

**② → Anyone who has seen me has seen the Father.**

- This is the one Terry keeps harping on. Why is this so important?
- What does this really have to do with the Trinity?
- What does this have to do with the God of the Old Testament?

**③ → How can you say, 'Show us the Father'? <sup>10</sup> Don't you believe that I am in the Father, and that the Father is in me? The words I say to you are not just my own. Rather, it is the Father, living in me, who is doing his work.**

- What does this reveal about the importance of this truth (seeing Jesus = seeing the Father)?
- What does the reality of seeing Jesus as actually seeing the Father mean practically?

**④ → <sup>11</sup> Believe me when I say that I am in the Father and the Father is in me; or at least believe on the evidence of the miracles themselves.**

- What are the theological (belief about God) implications of believing in Jesus?
- What evidences are there that the church believes in Jesus the way He seems to be illustrating?
- What would/should/could change?

**⑤ → <sup>12</sup> I tell you the truth, anyone who has faith in me will do what I have been doing. He will do even greater things than these, because I am going to the Father.**

- What, then, does following Jesus entail? Elaborate.
